

# What's In Your Bin?

**Before placing your recycling bin at your curb on your scheduled pick-up day, make sure you follow this checklist below each week to ensure you:**

## **RECYCLE RIGHT KC!!!!**

- 1). All plastic bottles and containers marked 1 - 7 are free of any liquids and they all have their caps/lids on them.
- 2). All aluminum and tin cans are free of liquid/food and not crushed.
- 3). All cardboard boxes are flattened and free of excess tape and labels.
- 4). All aerosol cans must be completely empty and no longer "hiss".
- 5). Paperboard and pizza boxes (usually only the lids of pizza boxes are free of grease stains, if there is food or grease residue, it belongs in the trash).
- 6). No plastic bags (please do not bag your recycling in any type of plastic bag or it will end up in the landfill).
- 7). No plastic film (these commonly cover paper towels, toilet paper, water bottle cases and bread).
- 8). No shredded paper, not even in a paper bag.
- 9). No glass (take glass to appropriate glass recycling bins within KC)
- 10). No used tissues, paper plates/tableware, face masks, Styrofoam, food, liquids, electronics, cords/tanglers, yard waste.
